

1952 Vincent Black Lightning

Typical key(s): A, B, C

Chord Progression

Intro/Break and Verse Part B

1								4							
		1													

Verse Part A

1										4					
				1											

Verse Part C

5				4		1		5				4			
1				2				4							
								1							

Notes: the timing on parts of this song changes depending on the verse you're singing (and the arrangement you hear!) Specifically, how long the second 4 chord is held on part C varies, as does where the 4 comes in on parts A and B. Listen to Del McCoury's version for ideas. Our tracks are arranged Break, A, B, C (then repeat).
