

All in my Love for You – John Hartford

G **C**
I'm continually a-mazed with wonder...
G **D**
At all the things you do...
G **C**
There's no escaping this spell I'm under...
G **D** **G**
That's all in my love for you...

G **C**
Now I hold you close and feel the way...
G **D**
You hold me when we're through...
G **C**
These awkward things I try to say...
G **D** **G**
That's all in my love for you...

Bridge/Chorus...

D **C**
So as I am, as we believe...
G **D**
In love songs when they're new...
G **C**
And I believe in what I feel...
G **D** **G**
That's all in my love for you...

G **C**
Those things I said the other night...
G **D**
When you had seen me blue...
G **C**
Your common sense for what is right...
G **D** **G**
That's all in my love for you...

Bridge/Chorus...
