Notes: the timing on this tune changes with every version you hear. We matched our timing on the verses to Flatt & Scruggs' seminal 1958 Mercury recording. Theirs is the only version we've heard with the odd 3-beat bar just before the 5 chord. We also did the instrumental breaks like to Flatt & Scruggs, with 2 breaks for the intro, then 1 break between each verse. Although Flatt & Scruggs do skip one of these breaks in the middle of the tune, we left it in.
