

Foggy Mountain Chimes

Typical keys: G

Chord Progression:

A Part:

|1///|4/1/|////|5///|1///|4/1/|////|5/|1///|

"Chimes" Section

|5///|////|////|2///|

|5///|2/5/|////|2///|5///|2/5/|1///|

Notes: we arranged ours similar to Flatt & Scruggs, with a kickoff A Part leading into the chimes section, followed by two of the A parts (usually with an instrument other than banjo), then back to an A part for the banjo and the chimes section again. We repeat this A-Chimes-AA 4 times.
