

I Know You Rider (aka Circle Around the Sun)

Tab Edited by Randall Rode

Banjo tuned down 3 half steps -- but same intervals as open G tuning

The image displays a banjo tablature for the song "I Know You Rider (aka Circle Around the Sun)". The instrument is tuned down 3 half steps from standard G tuning. The tablature is organized into systems, each corresponding to a line of lyrics. Each system includes a five-line staff with fret numbers (0-3) and a chord name (A, E, D, G) positioned above the staff. The lyrics are: "I know you ri--der gon-na miss me when I'm gone Well I know you ri--der gon-na miss me when I'm gone Gon-na miss your ma--ma from roll--in' in your arms." The tablature uses various techniques such as double stops, triplets, and hammer-ons (marked with 'H'). The piece concludes with a double bar line at the end of the 25th measure.
