

John Lee Hooker - One bourbon, one scotch, one beer (as played [here](#))
Open E tuning

Intro: **E - A - E B - A E***

B **A** **E***
One bourbon, one scotch, and one beer

E
Hey mister bartender come here
I want another drink and I want it now
A
My baby she gone, she been gone two night
E
I ain't seen my baby since night before last
A
I wanna get drunk till I'm off of my mind **A**

B **A** **E***
One bourbon, one scotch, and one beer

E
And then I sit there, drinkin', getting' stoned
A
Yeah yeah, after a while **E**
E
I looked down the bar, at the bartender **A**
A
He said, "Now what do you want Johnny?"

B **A** **E***
One bourbon, one scotch, and one beer

E
Well my baby she gone, she been gone two night
I ain't seen my baby since night before last
A
I wanna get drunk till I'm off of my mind **A**

B **A** **E***
One bourbon, one scotch, and one beer

E
And I sat there, gettin' stoned, mellow
A
Getting' so good so good,
E
I looked down the bar, at the bartender
A
I'm: "Hey hey, what do you want?" **A**

B **A** **E***
One bourbon, one scotch, and one beer

E
Well my baby she gone, she been gone two night
I ain't seen my baby since night before last
A
I wanna get drunk till I'm off of my mind **A**

B **A** **E***
One bourbon, one scotch, and one beer

E
And I sat there, drinkin'
'n After a while, I lift my head

A **E**
Looked on the wall, at the clock on the wall
And by that time, it was a quarter to two
Last call for alcohol,

A **E**
Looked down the bar, at the bartender
 A
I said: "Hey mister bartender, what do you want?"

B **A** **E*****
One bourbon, one scotch, and one beer

Legend:

E*

Of these, you can pick whichever you want
