Lyrics

Listen to the top where the little birds singing
 And the melodies and the high notes ringing
 And the hoot-owl cries over everything
 And the blackbird disagrees

Singing in the night time, singing in the day
 And the little duck quacks and he's on his way
 And the otter hasn't got much to say
 And the porcupine talks to himself

Repeat Chorus

Dogs and the cats, they take up the middle
 Where the honeybee hums and the cricket fiddles
 The donkey brays and the pony neighs
 And the old gray badger sighs

Listen to the bass, it's the one on the bottom
 Where the bullfrog croaks and the hippopotamus
 Moans and groans with a big to do
 And the old cow just goes moo

Repeat Chorus

It's a simple song living song everywhere
 By the ox and the fox and the grizzly bear
 The dopey alligator and the hawk above
 The sly old weasel and the turtledove

All God's creatures got a place in the choir
 Some sing low and some sing higher
 Some sing out loud on the telephone wire
 Some just clap their hands or paws or anything they got, now
 Repeat Chorus (X3)

Ending (slow-1st line only)
