A video of me playing this rendition is posted on my YouTube channel: <https://youtu.be/bbPBIAHeAmA>

Chords/chord changes above the tab lines (boldfaced letters) are those used for playing backup guitar, or chording on the banjo.

This rendition uses a lot of alternate string hammers in which you pluck a string with your thumb, then on the offbeat following that note, you hammer to a lower string. In clawhammer, such a note pairing would normally be played using drop thumb.
