The Birth of the Blues

Bill Knopf’s arrangement

Henderson/DeSylva/Brown.

Open G tuning In C
5th string is g
96 bpm

They heard the breeze from the jail, from the trees it came. The wail of the re-hearsed it and then

weird down - mel - o - dies and they made that the start of the news that the made the part of the news that the gave birth to the blues.

From a whipper-
will out of a hill they took a new note pushed it through a horn un-till it was worn into a new note and then they

blues.
