This tab illustrates three easy versions of the old classic tune Bury Me Beneath The Willow. The first version is based on maybelle Carter's guitar solo in the recording from 1927 (Maybelle played it in C position on guitar but I have transposed it to G). The second version is based on the melody in a version by Ricky Scaggs and Tony Rice. The third version is based on a tab I picked up from Internet and is something between Version 1 and Version 2.
