The diagram shows a guitar fretboard with six strings. Fret numbers are placed above the strings: 6, 7, 5, 7, 5, 0, 3, 0. Vertical lines connect these numbers to the strings. Below the strings, there are four pairs of brackets, each spanning two strings. The first pair is under fret 6 (strings 1 and 2), the second under fret 7 (strings 2 and 3), the third under fret 5 (strings 3 and 4), and the fourth under fret 3 (strings 4 and 5). There are also three vertical lines on the strings corresponding to frets 0, 2, and 3.
