Chilly Winds

Tab by Kasey Jessop

Break

Handwritten guitar tab for the 'Break' section of 'Chilly Winds'. The tab is written on seven systems of six-line staves. It includes various musical notations such as fret numbers (0, 3, 5), accidentals (natural, sharp), and techniques (p, h, T, S, X). Rhythmic values are indicated by numbers like 1/3, 2/3, and 3/5. The notation is spread across the staves, with some notes appearing on multiple lines to represent chords or specific voicings. The tab concludes with a final system of staves that are mostly empty.

Chilly Winds – Lyrics

(From the version by Rachel Eddy and Kristian Herner)

I'm going where those chilly winds, those chilly winds don't blow

I'm going where those chilly winds don't blow

I'm going where those chilly winds, those chilly winds don't blow

I'm going down that long lonesome, long lonesome road

I'm going down that long lonesome road

I'm going where the water tastes, the water tastes like wine

I'm going where the water tastes like wine

I'm going where the water tastes, the water tastes like wine

See you when your troubles are like mine, mine, mine

See you when your troubles are like mine

I'm going where the climate suits, the climate suits my clothes

I'm going where the climate suits my clothes

I'm going where the climate suits, the climate suits my clothes

Pain in my heart, well there ain't nobody knows

Pain in my heart, nobody knows

I'm going where those chilly winds, those chilly winds don't blow

I'm going where those chilly winds don't blow

I'm going where those chilly winds, those chilly winds don't blow

I'm going down that long lonesome, long lonesome road

Pain in my heart, nobody knows
