Cider – Lyrics

[Verse 1]

You be the horse and I'll be the rider
Down to the stillhouse to get a little cider

[Chorus]

Cider, cider, a little more cider
Down to the stillhouse to get a little cider.

[Verse 2]

Hickory horse and a white oak saddle
And a pretty little girl riding a-straddle.

[Verse 3]

Sal went down to get a little cider
Little white dog run alongside her.

[Verse 4]

We rode down to the foot of the hill
If we hadn't come back we'd a-been there still.

[Verse 5]

Sal went down with me alongside her
Down to the stillhouse to get a little cider.
