

# "Copperhead Road", by Steve Earle- Mandolin part

Opening Riff, played over the "D" Chord

Next Riff, played over the first chord change, to "G"

During the verses, play this "D" chord during the singing

Alternate with this riff, played between the sung lines

When you get to the chord change in the verse, play this "G" riff, the same as the "G" riff above

This is the Mandolin part for "Copperhead Road".
