

John Lover's Gone (CH) after Wade Ward

Key of C
Tab by Jack Beuthin

FD -> **A**

1. **B**

1. 2.

* variation

"FD ->" indicates a finger drag, which combined with the following note(s) on the 5th string constitute the Galax Lick.

Notes shown in parentheses are optional. Uncle Wade didn't play them every time through.

Note: on the Clawhammer Banjo, Volume 1 (County Records) of this tune, Uncle Wade is pitched to C#, rather than C, but he uses the relative Double C tuning.
