Long Steel Rail - Riley Baugus

Simple Version

TablEdited by Stringy D

It's a long steel rail
and a short cross tie
Ramble my way until I die

You caused me too weep
and you caused me to moan
You caused me to leave my good old home

Never did love
but that one little girl
Sorry I ever loved her

She had ruby lips
and rosy cheeks
You oughta hear that lying tongue

Going down that line
where the sun never shine
Skid on that cold ice and snow

I'll carry to the east
and I'll carry to the west
Show you what money can do

It's a long steel rail
and a short cross tie
Ramble this road until I die
