The tab includes a variety of musical notations such as natural notes, accidentals, and fret numbers. The first staff is labeled "Up-the-neck".

Rattlin' Bones – Lyrics

[Chorus – after each verse]

Smoke don't rise
Fuel don't burn
Sun don't shine no more
Late one night, sorrow come round
Scratching at my door
But I cut my hands
And break my back
Draggin' this bag of stones
Till they bury me down, beneath the
ground
With the dust and rattlin' bones

[Verse 1]

Left my home and left my love
Caught on a rusty nail
Devil rose up, heavy with gold
My soul's not for sale
Then a holy man in a house of God
He offered me a book of prayer
And when I left my home I left my love
I left my faith back there

[Verse 2]

Shuttin' my eyes and hang my
head
Darkness makes no sound
Climb it up, bottom there
Earth's on the way back down
When a sadness falls on the
morning bird
Wonder what the day will
bring
But I'm shuttin' my eyes and
hang my head
At least that bird can sing
