Lyrics

One two three o'clock, four o'clock rock  
Five six seven o'clock, eight o'clock rock  
Nine ten eleven o'clock, twelve o'clock rock  
We're gonna rock around the clock tonight.

So put your glad rags on and join me hon'  
We're gonna have some fun when the clock strikes one.

We're gonna rock around the clock tonight  
We're gonna rock rock rock till the broad daylight  
We're gonna rock, gonna rock around the clock tonight.

When the clock strikes two, three and four  
When the dance slows down, we're gonna yell for more.

We're gonna rock around the clock tonight  
We're gonna rock rock rock till the broad daylight  
We're gonna rock, gonna rock around the clock tonight.

When the chimes ring five, six and seven  
Oh we'll be dancing in seventh heaven.

We're gonna rock around the clock tonight  
We're gonna rock rock rock till the broad daylight  
We're gonna rock, gonna rock around the clock tonight.

When it's eight, nine, ten, eleven too  
I'll be going strong so will you.

We're gonna rock around the clock tonight  
We're gonna rock rock rock till the broad daylight  
We're gonna rock, gonna rock around the clock tonight.

When the clock strikes twelve and it's time to end  
We'll start to rockin' round the clock again.

We're gonna rock around the clock tonight  
We're gonna rock, gonna rock around the clock tonight.
