Sandy Boys – Lyrics

[Verse 1]

I used to live on cherry rock

Now I live in town

Boarding at the big hotel

Courting Betsy Brown

[Chorus]

Come along you sandy boys

Come along oh do

If you come by late at night

Beware of the bugaboo

[Verse 2]

Someone stole my dear old dog

Wish they'd bring him back

He runs the big hogs over the fence

Little ones through the cracks

[Verse 3]

If I had a watch of gold

On a silver chain

I'd count the hours till the day

I see my love again

[Verse 4]

Sixteen miles away from here

Chickens crow for day

If you're with my true love

Best be on your way
