Tab by Kasey Jessop

Break

Handwritten guitar tab for the song "Steam Powered Aero Plane". The tab is written on ten staves, each with a treble clef and a key signature of one sharp (F#). The tuning is specified as A E A C# E. The notation includes various guitar-specific symbols such as notes, rests, accidentals, and fret numbers. Chord diagrams are indicated by circled letters: A, E, Bm, and s. The tab is organized into measures, with some measures containing multiple notes and others containing single notes or rests. The notation is handwritten and appears to be a personal transcription.

Steam Powered Aereo Plane – Lyrics

[Verse 1]

Well, I dreamt I went away on a steam-powered aereo plane
I went and stayed and damn near didn't come back again
I didn't go very fast on a steam-powered aereo plane
Oh, the wheel went around, and up and down, and inside, and then back again

[Chorus]

I was sitting in a 747 just a-watching those clouds roll by
Can't tell if it's sunshine or if it's rain, rain, rain
Rather be sitting on a deck chair high up over Kansas City
On a genuine old-fashioned authentic steam-powered aereo plane

[Verse 2]

I dreamt I was a pilot on a steam-powered aereo plane
Well, I'd pull that pilot wheel around and then back again
And I'd wear a blue hat, yeah, that says, "steam-powered aereo plane"
Letters that go around the rim and then back again

[Chorus]

I was sitting in a 747 just watching those clouds roll by
Can't tell if it's sunshine or if it's rain, rain, rain
Rather be sitting on a deck chair high up over Kansas City
On a genuine old-fashioned authentic steam-powered aereo plane
