Key: Dm

melody

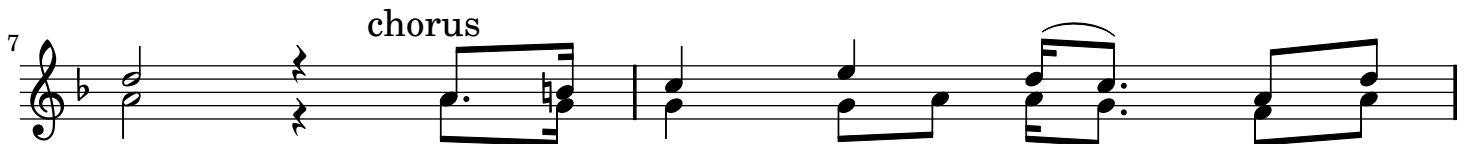

do you think of me the way I think of you do you
do you hum a lit- tle tu- ne all day long do you
do you won- der why we live and why we die do you
like a chi- ld who can't wait to go and play I am

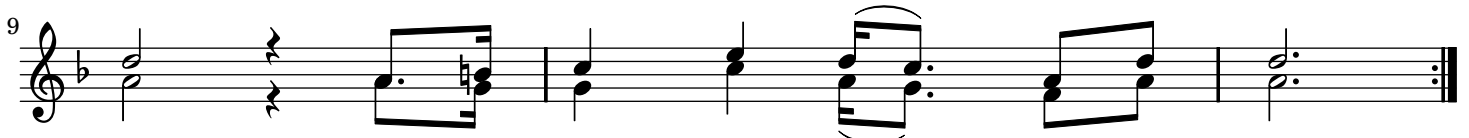

hope for things most like that won't come true
hear my name in-the chor- us of your song
won-der why-we laugh and why - we - cry
waiting for love to co- me my - way

do you dream of me - like I dream of
when you sing your song does-it make you feel brand
do you won-der why-we dance and why - we -
Can we make this-new love fit like an old -

you tell me dar- lin' please tell me
new tell me dar- lin' please tell me
fall tell me darlin' do-you wonder these at
shoe tell me dar- lin' please tell me

true tell me dar- lin' please tell me true
true tell me dar- lin' please tell me true
all tell me darlin' do-you wonder these at all
true tell me dar- lin' please tell me true
