The Big Dipper Diner – Lyrics

Verse 1

Are you feeling hungry while you're walking on the moon?

Do you need a space snack to get you through the afternoon?

Set your teleporter so you'll beam yourself here soon.

Just float into our diner and you'll hear us sing this tune.

Chorus

The Big Dipper Diner. The best café in the Milky Way.

The Big Dipper Diner. If it's on your way, float by today.

Verse 2

Rush up in your rocket 'cause you can't drive your car.

Fly in your flying saucer 'cause you got to travel far.

Jump into your rocket and just follow any star.

It's not hard to get here from no matter where you are.

Chorus

The Big Dipper Diner. The best café in the Milky Way.

The Big Dipper Diner. If it's on your way, float by today.

End

We're the finer diner, not too far from Ursa Minor. The Big, Big Dipper Diner.
