chilly night, He prayed to the moon to give him light, He'd many a mile to

26 27 28 29

go that night be - fore he reached that town - o. Town - o,

30 31 32 33

town - o, He'd many a mile to go that night be - fore he reached that

34 35

town - o. 3

Upper case letters in boxes above the tablature lines indicate chord forms. The actual chords depend on where you capo. If capoed 4 as indicated, the C form would be an E chord, the F form would be an A chord, and the G form would be a B chord.

A video of me playing this arrangement of The Fox is posted on my YouTube channel (Jack Beuthin): <https://youtu.be/t8DfB1mH240>
