You left me and you went away, You said you'd be back and just that day

You've broken your promise and you left me here alone, I don't know why you did dear, but I do know that you're gone

Chorus: I'm walking the floor over you, I can't sleep a wink that is true

I'm hoping and I'm praying as my heart breaks right in two, Walking the floor over you

Fiddle Break, Dobro Break

Now darling you know I love you well, I love you more than I can ever tell

I thought that you loved me and always would be mine, But you went and left me here with troubles on my mind

Chorus, Mandolin Break, Banjo Break

Now someday you may be lonesome too, Walking the floor is good for you

Just keep right on walking and it won't hurt you to cry, Remember that I love you and I will the day I die

Chorus, Ending
