Wild Hog in the Woods - Lyrics

There was a wild hog in yonder woods
Diddle on down, doodle on day
There was a wild hog in yonder woods
Doodle on down e day
There was a wild hog in yonder woods
Catch him boys, don't let him get away
Cut him down, cut him down
Catch him if you can

Bangum did a-hunting ride
Diddle on down, doodle on day
Bangum did a-hunting ride
Doodle on down e day
Bangum did a-hunting ride
Sword and a pistol by his side
Cut him down, cut him down
Catch him if you can

Bangum rode to the wild hog's den
Diddle on down, doodle on day
Bangum rode to the wild hog's den
Doodle on down e day
Bangum rode to the wild hog's den
Where he spied the bones of a thousand men
Cut him down, cut him down
Catch him if you can

Bangum blew his hunting horn
Diddle on down, doodle on day
Bangum blew his hunting horn
Doodle on down e day
Bangum blew his hunting horn
And the wild hog crashed through the oak and thorn
Cut him down, cut him down
Catch him if you can

Bangum drew his wooden knife
Diddle on down, doodle on day
Bangum drew his wooden knife
Doodle on down e day
Bangum drew his wooden knife
He swore he'd take that wild hog's life
Cut him down, cut him down
Catch him if you can

He fought for hours on that day
Diddle on down, doodle on day
He fought for hours on that day
Doodle on down e day
He fought for hours on that day
Till the wild hog bled and slunk away
Cut him down, cut him down
Catch him if you can

Bangum did you win or lose?
Diddle on down, doodle on day
Bangum did you win or lose?
Doodle on down e day
Bangum did you win or lose?
He swore by God he'd won his shoes.
Cut him down, cut him down
Catch him if you can

There was a wild hog in yonder woods
Diddle on down, doodle on day
There was a wild hog in yonder woods
Doodle on down e day
There was a wild hog in yonder woods
Catch him boys, don't let him get away
Cut him down, cut him down
Catch him if you can
