VERSE 1...

Bows and flows of angel hair and ice cream castles in the air
And feather canyons everywhere, I've looked at clouds that way

VERSE 2...

But now they only block the sun, they rain and snow on everyone
So many things I would have done, but clouds got in my way

CHORUS...

I've looked at clouds from both sides now
From up and down and still somehow
It's cloud's illusions I recall
I really don't know clouds at all

VERSE 3...

Moons and Junes and Ferris wheels the dizzy dancing way you feel
When every fairy tale comes real, I've looked at love that way

VERSE 4...

But now it's just another show, you leave 'em laughin' when you go
And if you care don't let them know, don't give yourself away

CHORUS...

I've looked at love from both sides now
From win and lose and still somehow
It's love's illusions I recall
I really don't know love at all

VERSE 5...

Tears and fears and feeling proud, to say, "I love you" right out loud
Schemes and dreams and circus crowds, I've looked at life that way

VERSE 6...

But now old friends are acting strange, they shake their heads,
They say I've changed
But something's lost but something's gained in living every day

CHORUS...

I've looked at life from both sides now
From give and take and still somehow
It's life's illusions I recall
I really don't know life at all
