1. E 2E: END...

snow! snow!

E E: END...

Frosty, the snowman was a jolly happy soul...
With a corncob pipe and a button nose...
And two eyes made out of coal...

Frosty, the snowman is a fairy tale, they say...
He was made of snow but the children know...
That he came to life one day...

There must have been some magic...
In that old silk hat they found...
For when they placed it on his head...
He began to dance around...

Oh Frosty, the snowman was alive as he could be...
And the children say he could laugh and play...
Just the same as you and me...

Thumpetty, thump, thump, thumpety, thump, thump...
Look at Frosty go, thumpetty thump thump...
Thumpety thump thump, over the hills of snow...

Frosty, the snowman knew the sun was hot that day...
So he said, "Let's run and we'll have some fun...
Now, before I melt away"...

Down to the village with a broomstick in his hand...
Runnin' here and there, all around the square...
Sayin', "Catch me if you can"...

He led them down the streets of town...
Right to the traffic cop...
He only paused a moment...
When he heard him holler, "Stop"...

Because ol' Frosty, the snowman, he had to hurry on his way...
But he waved goodbye sayin', "Don't you cry...
I'll be back again some day, I'll be back again some day...
I'll be back again some day"...
