Verse 1...

In South Carolina there are many tall pines
I remember the oak tree that we used to climb
But now when I'm lonesome, I always pretend
That I'm getting the feel of hickory wind

Verse 2...

I started out younger at most everything
All the riches and pleasures, what else could life bring?
But it makes me feel better each time it begins
Callin' me home, hickory wind

Verse 3...

It's hard way to find out that trouble is real
In a far away city, with a far away feel
But it makes me feel better each time it begins
Callin' me home, hickory wind
Keeps callin' me home, hickory wind
