If I fell in love with you...
Would you promise to be true...
And help me understand...
'Cause I've been in love before...
And I found that love was more...
Than just holding hands...

If I give my heart to you...
I must be sure from the very start...
That you would love me more than her...

If I trust in you, oh, please...
Don't run and hide...
If I love you too oh please...
Don't hurt my pride like her...
'Cause I couldn't stand the pain...
And I would be sad if our new love was in vain...

So I hope you see that I...
Would love to love you...
And that she will cry...
When she learns we are two...
If I fell in love with you...
