D

It came upon the midnight clear...
 That glorious song of old...
 From Angels playing near the earth...
 To touch their harps of gold...

Peace on earth good will to men...
 From Heaven's all-gracious King...
 The world in solemn stillness lay...
 To hear the Angels sing...

The first Noel the Angel did say...
 Was to certain poor shepherds in fields as they lay...
 In fields where they lay, they keeping their sheep...
 On a cold winter's night that was so deep...
