G G (End)...

VERSE 1...

Oh the weather outside is frightful

But the fire is so delightful  
And since we've no place to go  
Let it snow let it snow let it snow

VERSE 2...  
Man it doesn't show signs of stopping  
And I brought some corn for popping  
The lights are turned was down low  
Let it snow let it snow

BRIDGE...  
When we finally kiss goodnight  
How I'll hate going out in the storm  
But if you really hold me tight  
All the way home I'll be warm

VERSE 3...  
And the fire is slowing dying  
And my dear we're still good-byeing  
But as long as you'd love me so  
Let it snow let it snow and snow

CHORUS  
When we finally kiss goodnight  
How I'll hate going out in the storm  
But if you really grab me tight  
All the way home I'll be warm

VERSE 4...  
And the fire is slowing dying  
And my dear we're still good-byeing  
But as long as you'd love me so  
Let it snow let it snow let it snow
