VERSE 1...

Just like the sun over the mountain top...
You know I'll always come again ...
You know I love to spend my morning time ...
Like sunlight dancing on your skin...

VERSE 2...

I've never gone so wrong as to telling lies to you...
What you've seen is what I've been...
There is nothing I could hide from you...
You see me better than I can...

CHORUS...

Out on the road that lies before me now...
There are some turns where I will spin...
I only hope that you can hold me now...
Till I can gain control again...

VERSE 3...

Like a lighthouse you must stand alone...
Landmark the sailor's journeys end...
No matter what sea I've have been sailing on...
I'll always roll this way again...

CHORUS...

Out on the road that lies before me now...
There are some turns where I will spin...
I only hope that you can hold me now...
Till I can gain control again...
