

Carolina In My Mind (Jerry Douglas) Page 1
Tab by Douglas Schuch

X---Y indicates a slide between two notes. ---X indicates a slide into a note. X-Y indicates a hammer-on or pull-off.

This is intended to capture the feel of JD's playing more than a precise duplication. In particular, many of the fill notes behind the melody have been left out. Play the song on Youtube at ½ speed to help get the timing.
