

# Dobro Resonator Guitars

## The Squareneck Series

F-60 Squareneck

60 D Classic

27 Deluxe

The 60-series DOBRO® guitars feature a square neck with 12 frets clear of the body.

This sturdy construction, along with a high nut for slide-style playing, make these original models favorites of country, bluegrass and Hawaiian musicians.

All have a body of laminated figured maple veneer with the original style spider bridge and 10 1/2" resonator.

The Model 27 Deluxe features the DOBRO® lyre deluxe inlays and a highly figured maple body. To complete the elegant look of the 27 Deluxe, this model also has a bound fingerboard and headstock.
